COMMUNICATION FROM APPLICANT

Madam:

This will confirm Applicant's attorney's understanding of the Examiner's instructions today in a telephone conference with the attorney's paralegal, Debbie Wagner. Applicant understands it need not respond to the outstanding Office Action mailed November 1, 2007. Also, the Examiner confirmed there would be no penalty to the Applicant for lack of response to the Office Action mailed November 1, 2007. Accordingly, Applicant will merely await the Examiner's further Action.

Applicant thanks the Examiner for her assistance with this matter, and looks forward to receiving the Examiner's further communication. In that regard, the Examiner intends to issue a further Office Action, which considers the Preliminary Amendment currently on file in this case.

If our understanding of the foregoing is incorrect, please notify the undersigned attorney's office immediately so that prompt action may be taken.
